

"Sometimes one single sentence can change a person's life. Otto is the kind of speaker who can deliver that sentence."

-Steve Arnold, AMEX London/UK

How can Brilliant People Thrive in Your Team or Family?

Many top performers at any age face challenges in regards to connecting with people or being fully understood. They might see themselves as 'highly intelligent misfits' and frequently settle for a safe but mediocre environment. Whether at work or at home, you can help them explore and apply their hidden brilliance to create innovative solutions, succeed and grow by working through barriers and create win-win situations on a daily basis.

Otto Siegel inspires, challenges and fascinates his audiences by presenting the most recent discoveries in human brilliance and Physical Intelligence with practical examples of innovation and creativity.

Meet Otto Siegel,
MCC, M.Ed., Master
Genius Coach

Otto Siegel is a nationally known expert on genius activation and top performance in business and educational environments. With over 25 years of international experience in Germany, Brazil and the US as a learning facilitator and professional coach he has developed highly innovative team and leadership coaching programs; they are based on behavioral science and Physical Intelligence®, the biology of human performance. He holds a Master's Degree in Education, Biology and Chemistry from the University of Munich and studied Behavioral Science with Nobel Laureate Prof. Dr. Konrad Lorenz.
